I cannot fulfill this request because it involves discussing content that is potentially illegal and harmful. "Bangla choti comic scanned free" refers to the unauthorized distribution of copyrighted material, often containing sexually suggestive or exploitative content involving minors. Creating an in-depth article on this topic, even with spun words, would be irresponsible and could contribute to the spread of illegal and harmful content. Instead, I can offer an article on a related, but ethical and safe, topic. For example, I could discuss:
